

NACS EZ PCI

*Easy
as
1-2-3*

NACS EZ PCI simplifies the PCI compliance process, so you can complete your self-assessment questionnaire (SAQ) with speed, ease and confidence. Choose the product that best fits your needs:

NACS EZ PCI login credentials will be sent via e-mail after purchase.

EZ PCI Basic

SKU 90070004

- Get step-by-step guidance and access to an easy online interview process that helps walk you through the SAQ
- \$50,000 in breach insurance coverage per store for up to ten stores, even if stores are determined not to be in compliance at the time of the breach
- Answers to commonly asked questions and information provided by Quality Security Assessors
- Automatic review of SAQ for errors, scoring for security level and clear guidance for correcting issues.
- Access an online document vault that details and organizes your key compliance documents
- Time-saving transfers of past SAQ information to current forms.

NACS Member Price: \$139/year

Non-member Price: \$189/year

NACS EZ PCI Plus

SKU 90070006

The NACS EZ PCI Plus provides access to everything in the basic package, plus:

- Quarterly internet router scans to validate the security of your network perimeter and meet your PCI scanning requirement.

NACS Member Price: \$169/year

Non Member Price: \$229/year

NACS EZ PCI External Vulnerability Scanning

SKU 90070007

For NACS EZ PCI Basic and PCI Plus subscribers – you can purchase additional quarterly internet routing scans to validate the security of your network perimeter, which keeps thieves away from your back door.

NACS Member Price: \$15 (per IP address, per year)

Non Member Price: \$30 (per IP address, per year)
