CALCULATE YOUR PERSONAL CARBON FOOTPRINT

- SCA is the greenest tissue company in the world
- We are named one of the world's most ethical companies
- Tork product and systems can help you earn LEED points
- We've been making recycled paper since 1927

\* Ranked in 2007 by Ethical Investment Research Services

\*\* Selected in 2008 by the Ethisphere Institute

# Be a part of change

## We Lifecycle

SCA innovations facilitate a broad range of sustainability. Our products are simply good for life.

When you choose to use Tork recycled products, you help conserve valuable natural resources and lighten your footprint.

To receive environmentally focused articles and helpful "green" tips, go to [www.torkrevolution/green](http://www.torkrevolution/green) and sign up for SCA Tissue's monthly e-newsletter – 365: *Living Green, Everyday.*

## We Lifecycle

We hold ourselves environmentally accountable through every step of our product life-span. From start to finish, we think, act and lead with our ideals.

When you reduce what you use and recycle at home and at work, you ensure the process continues.

# What we do

- ▶ We recycle **750,000** tons of paper annually
- ▶ We only manufacture **100%** recycled paper
- ▶ Our products are **process chlorine free**
- ▶ Many of our Tork products are **third-party certified**
- ▶ Our systems **control consumption** and **reduce waste**
- ▶ We **reuse** and **recycle** cores, cases, and wraps

# What we save annually

**5.25 billion gallons** of water

**285 million gallons** of oil

**12.75 million trees**

**3.0 billion kilowatts** of electricity

**2.25 million cubic yards** of landfill space

**Our optimized case sizes save:**

283,000 gallons of diesel fuel

1.6 million miles in shipping – That's enough  
to drive around the world 64 times!

TORK-ENVIRO MINI-3/09-10M-IND-25

Printed on 80 lb. Neenah Paper  
Environment Cover Desert Storm  
which is recycled 100% post  
consumer waste.
